

2009 Pronghorn Hunting Seasons

New for 2009: All pronghorn hunting, including archery seasons, is by controlled hunt. All general archery pronghorn hunts have been changed to controlled hunts. Controlled hunt permits and tags issued for pronghorn controlled hunts may be used only in the hunt for which the permittee was drawn.

Attention Pronghorn Archery Hunters! Don't give your sport a black eye. Did you know that leaving blind material is considered littering? And, digging pits on federal land is a violation of federal law? For more information on how to construct a legal blind, see page 63, or contact your local Bureau of Land Management office.

For details on controlled hunt rules and restrictions please see pages 70-73.

Doe or fawn only: Only pronghorn without a black cheek patch or with horns less than 3 inches long may be taken during doe or fawn only pronghorn seasons. To participate in an archery only pronghorn hunting season, hunters must have on their possession an archery permit in addition to required license, permit, and tag.
