## Resident Lifetime License Certificates

Regardless of your age, the purchase of a lifetime license could be the best investment you ever make. Lifetime combination hunting and fishing licenses authorize all privileges associated with a corresponding annual license. These licenses are valid for the lifetime of the license holder and are available to all residents of the state of Idaho. If a lifetime certificate holder moves out of the state of Idaho, they will continue to receive an annual license. Those lifetime certificate holders who move out of the state of Idaho will have to pay nonresident tag and permit fees. The lifetime certificate does not include tags and permits. Lifetime certificates can be purchased at Fish and Game headquarters and regional offices.

Applicant Age	Combination	Hunting	Fishing
0 - 1 year	\$ 795.50	\$276.75	\$601.75

## 2008-2009 and 2009-2010

### Upland Game Licenses and Permits

As of January 1, 2008, fees may change without notice. For all resident and nonresident license, tag and permit fees, see pages 5 and 7.

To hunt upland game birds, waterfowl, small game, predators and unprotected species in Idaho or to practice falconry in Idaho, all hunters must purchase and possess a hunting license.

Before purchasing a hunting license, all applicants born after Jan. 1, 1975 must complete a state approved hunter education course. See page 9.

The \$7.25 Youth Small Game license (ages 10-11), is valid for upland game birds, turkey, migratory game birds, cottontail rabbits, unprotected species and predatory birds and animals when accompanied by an adult with a valid Idaho hunting license.

#### License and Permit Requirements by Species

##### Sage-Grouse and Sharp-tailed Grouse

To hunt sage-grouse and sharp-tailed grouse, hunters must purchase a hunting license and a \$1.75 permit.

##### Pheasants - A hunting license is required to hunt pheasants.

To hunt pheasants at Market Lake, Mud Lake, Cartier, Sterling, Fort Boise, C.J. Strike, The Birding Island segment of the Payette River WMA, Montour or Niagara Springs Wildlife Management Areas, hunters must purchase a hunting license

and a \$23.75 WMA permit. The permit is required for hunters aged 17 and older. Permits are valid for six pheasants and multiple permits may be purchased.

#### Other Species

Hunters who pursue quail, partridge, forest grouse, rabbit, hare, crows, predators and unprotected species must purchase a hunting license. No special permits are required. Pygmy rabbit season is closed. Mountain quail season is closed.

A hunting license is required to practice falconry in Idaho. Falconers also must obtain proper state and federal permits for training and possessing a bird of prey. Contact the nearest Idaho Fish and Game regional office for more information.

Nonresident falconers must have a valid Idaho hunting license, all necessary validation and a valid falconry permit from their state of residence.
